The past performance line of Flash Hanover's most recent race shows that he last started on 1May 10th at 2Rosecroft. The track was 3fast. The distance was one 1/4 mile and the time of the winning horse, was 52:06. The race, although Flash Hanover was listed at that time as a 6B pacer, was a 16 class early closer, which means that at the time the entries closed for this race, (about two months before this date), he had not won \$10,000. Starting from post position 75, Flash Hanover was 8fifth on a break at the 1/4 pole, 9sixth racing on the outside as they passed the halfway point of the race, and at the 3/4 pole had moved up to 10fifth again although still racing on the outside. Still moving up, he was in 11fourth position only one length off the leading horse at the head of the stretch, and finished 12second by a length behind the winner. Flash Hanover was individually timed in 132:06 1/2 by the Jones Precision Photo Finish, Inc., timing device which gives the actual time of each horse in the race. He went to the post at 14\$3.50 to \$1, or as shown on the mutuel board 7/2. His driver was 15Tom Berry and the 16-18com- petition line shows that Mamscot was the winner with Flash Hanover second and Outbound third. There were 19eight starters in the race.

IN THE EVENT THE RACES ARE RAINED OUT BEFORE THE FOURTH RACE HAS BEEN COMPLETED, ANY PERSON MAY RECEIVE A FREE PROGRAM ON THE FOLLOWING RACING NIGHT BY TURNING IN THE PROGRAM COVER SHOWING THE DATE FROM THE INCOMPLETE NIGHT.

EXPLANATION OF CLASSIFICATION

Official rule on classifications prescribes a formula for classifying horses based upon the total of their life's money winnings, as per table below, and by assigning horses to one of the letter classes based upon the racing secretary's analysis of its racing record and his opinion of the horse's qualifications.

RACING YEAR FOR THE RECORD, STARTS DECEMBER 1, AND ENDS NOVEMBER 30

Class	Non-winners of	Class	Non-winners of	Class	Non-winners of
30	\$ 200	22	\$2,500	16	\$10,000
28	400	21	3,000	15	15,000
26	700	20	4,000	14	20,000
25	1,000	19	5,000	12	25,000
24	1,500	18	6,000	10	35,000
23	2,000	17	8,000	5	50,000
Free For All (F.F.A.) (Winners of \$50,000 and over)					

A deduction of 50% of the money winnings of two and three-year-olds is allowed, but thereafter all winnings are included to determine the numbered class to which a horse is eligible.

The Race Secretary may impose further conditions which will appear in the race headings.

Lettered classes are as follows: FFA, JFA, AA, A, B, C, D.

Classification may be changed at the racing secretary's discretion except that; Horses classified A or slower shall not be advanced or moved back more than one class at one given time except:

At the start of the year 1957 two, three and four year olds when first classified shall not be advanced until he has had a minimum of three starts in such class and has won a race in such class. This rule applies to each subsequent class until he has reached the AA class.

No two, three or four year olds may be classified by letter until eligible to money winning class 21 or faster, unless it has won three overnite races at an extended pari-mutuel meeting during the current season, or unless the owner or his authorized agent request in writing that the horse be so classified.

Horses must be eligible when entries close but winnings on closing date of eligibility shall not be considered.

A SIMPLE EXPLANATION OF PARI-MUTUEL WAGERING

First, you must realize you are not wagering against the track. The management, through the totalisator, merely acts as a clearing house for all wagers, and collects a percentage for so doing as fixed by Maryland State Law.

The odds and payoffs are made only by the public (you, the bettor), and the management neither wins nor loses if you win or lose.

When you bet to win—you collect only if your horse finishes first.

When you bet to place—you collect only if your horse finishes first or second.

When you bet to show—you collect only if your horse finishes first, second, or third.

Remember—Make your selections and wagers early, being sure you have purchased the correct ticket. Hold all tickets until the result is "Official" on the result board.

If Ever In Doubt—Go to the Information Window where any question may be answered for you.

APPROXIMATE MUTUEL PAY-OFF FOR A \$2.00 TICKET

Odds	Pay	Odds	Pay	Odds	Pay
1-9	\$ 2.20	6-5	\$ 4.40	2-1	\$ 6.00
1-5	\$ 2.40	7-5	\$ 4.80	5-2	\$ 7.00
2-5	\$ 2.80	3-2	\$ 5.00	3-1	\$ 8.00
3-5	\$ 3.20	8-5	\$ 5.20	4-1	\$10.00
4-5	\$ 3.60	9-5	\$ 5.60	5-1	\$12.00
1-1	\$ 4.00				

The approximate odds shown on the tote board are as nearly exactly as possible, but due to mechanical inability to show certain fractions of the dollar, the odds may not be the exact pay-off amount.

DRIVER RATINGS WILL BE MAINTAINED IN THIS SPACE

OFFICIAL START

The starter shall endeavor to get all horses away in position and on gait but no recall shall be had for a bad actor or a breaking horse. There shall be no recall after the word "GO" has been given and any horse, regardless of his position or an accident, shall be deemed a starter.

A starter may sound a recall only for the following reasons:

1. A horse scores ahead of the gate.
2. There is interference.
3. A horse has broken equipment.
4. A horse falls before the word "GO" is given.
5. Where a horse refuses to come to the gate before the gate reaches the $\frac{7}{8}$ pole the field may be turned.

It will be noted that the horses this year are being released at the pole just inside the finish wire. This is in compliance to the new section of the USTA starting rule which reads as follows: The starting point will be a point marked on the inside rail a distance of not less than 200 feet from the first turn. The starter shall give the word "GO" at the starting point.

When any horse or horses break from their gait in trotting or pacing, their drivers shall at once, where clearance exists, take such horse to the outside and pull it to its gait.

The following shall be considered violations of this rule:

- 1—Failure to properly attempt to pull the horse to its gait.
- 2—Failure to take to the outside where clearance exists.
- 3—Failure to lose ground by the break.

If there has been no failure on the part of the driver in complying with the above-stated violations, the horse shall not be set back unless a contending horse on his gait is lapped on the breaking horse at the finish.

The Judges may set any horse back one or more places if in their judgment any of the above violations have been committed, and the driver may be punished.

GENERAL INFORMATION

SALIVA AND URINE TEST—Each winning horse at Rosecroft Raceway is tested after the race for the possible presence of any illegal drug. The Presiding Judge may at any time also order a test on any or all horses at his discretion.

FIRST AID—A complete First Aid Station for patrons, horsemen and employees is located on the mezzanine of the grandstand. A physician, registered nurse and an ambulance are always in attendance.

The Lost and Found Office is in the Admissions Building, east of the grandstand.

PATROL JUDGES are placed at both turns and backstretch to report any fouls, violations of the rules of racing, untoward conduct or incidents immediately by telephone to the Presiding Judge.

PHOTO FINISH—The complete finish of each race is confirmed by the photo-finish camera, and the placing of each and every horse is verified. The camera used at Rosecroft is operated by the JONES PRECISION PHOTO FINISH, INC.

The officials of this meeting have the right to substitute any driver, or drivers, for any violation, and at any time.

OBJECTION—In the event a foul is claimed the word "OBJECTION" will be flashed on the result board, and announcement will be made over the public address system. The slight delay will be occasioned by the Judges questioning all parties involved, and receiving reports from the patrol judges.

DAILY DOUBLE RULES

1. Daily Doubles are limited to one for each racing program.
2. The pay-off shall be posted after the pool closes, and before the racing completing the double has been run, except in the event of a dead heat in the first half of the Daily Double when the posting of the pay-off may be deferred until the race completing the Daily Double has been run.
3. If no ticket is sold combining the two winners, the pool shall then be apportioned equally between those having tickets including the winner of the first race and those having tickets including the winner of the second race in the same manner in which a "place" pool is calculated and distributed.
4. If no ticket is sold including the winner of the first race, the entire pool will be paid to the holders of tickets which include the winner of the last race of the Daily Double.
5. Likewise, if no ticket is sold including the winner of the second race, then the entire pool will be paid to the holders of tickets which include the winners of the first race of the Daily Double.
6. If no ticket is sold including the winner of either race, then the pool shall be paid to the holders of tickets which include the horse finishing second in the two races of the Daily Double.
7. If no ticket is sold which would require distribution of the Daily Double Pool, the Association shall make a complete and full refund of the pool.
8. If, after the first half of the Daily Double has been run and declared "Official," a horse is excused or scratched in the second half of the Daily Double then a consolation pay-off shall be made to holders of Daily Double tickets combining the winner of the first half of the Daily Double to the excused or scratched horse of the second half of the Daily Double computed in the following manner: From the Daily Double pool there shall be deducted and made separate pool thereof: all monies bet on the excused or scratched horse of the second half of the Daily Double combined with all horses that participated in the first half of the Daily Double. This consolation pool shall then be distributed in the same manner as a tipicated in the first half of the Daily Double. If for any reason the first race of a Daily Double is cancelled and declared straight pool, to holders of tickets combining the winner of the first half of the Daily Double to the excused or scratched horse of the second half of the Daily Double. If for any reason the second race of a Daily Double is cancelled and declared "no race," the Daily Double pool shall be distributed to the holders of the Daily Double tickets on the winner of the first race in the same manner as the straight pool of the first race is distributed, except as to the amount of distribution, which shall be controlled by the amount bet in the Daily Double pool.
9. If holder of ticket loses first race, and horse is scratched in second race, no money is refunded.
10. There shall be an Auditor representing the Commission in the pari-mutuel department at all tracks where betting is allowed. He shall be appointed by the Commission to certify all the accounting and calculating, and to file with the Commission a report of the receipts from all sources, prepared in such form as the Commission may desire. INSTRUCTIONS FOR BETTING

For the convenience of patrons, Sellers' and Cashiers' windows are located on the mezzanine floor. All cashier windows on the ground floor are located in the rear of the Grandstand.

In the Club House, the Sellers' and Cashiers' windows are located on the ground level.

We suggest that you purchase your tickets early and avoid last minute rush.

1. In buying pari-mutuel tickets, please call the number of the horse first, then the quantity of tickets desired. For Example: "Number Five, three tickets; Number Five, one ticket."
2. Examine your ticket before leaving the window. No tickets may be exchanged after the sale is completed, and any mistakes must be rectified at the information window before the machines are closed.
3. Purchasers of pari-mutuel tickets are requested to have exact change before entering the booth, and be sure that they receive the ticket asked for before leaving the booth.
4. When two or more horses are grouped in the field or entry, and only one starts, refunds will not be made on non-starters.
5. The Rosecroft Trotting and Pacing Association is not responsible for lost or destroyed pari-mutuel tickets and reserves the right to refuse payment of those which may have been torn or mutilated.
6. ALL PREVIOUS NIGHT OUTSTANDING TICKETS will be cashed up to the fourth race.
7. The Rosecroft Trotting and Pacing Association is not responsible for incomplete transactions after pari-mutuel machines are locked.
8. The information and change booth is located at window No. 20 in main line Sellers section.
9. Hold all tickets until result is declared official.
10. Wagering other than through the Tote is prohibited.

CLUBHOUSE RESERVATIONS

Clubhouse patrons should phone LOgan 7-8445 for table reservations before coming to the track. The clubhouse has been enlarged so that more patrons may take advantage of this convenience, but table reservations may still be necessary.
